McHARGH, MAG. J.

Pursuant to the Court's Memorandum Opinion and Order filed June 2, 2006, the Court grants defendant Reginald Wilkinson's motion for judgment on the pleadings , as to a federal (Section 1983) claim against him. The complaint fails to set forth "allegations sufficient to make out the elements of a right to relief." The second (state law) count is dismissed without prejudice for lack of jurisdiction.

IT IS SO ORDERED.
